*Join us in our statewide efforts to support
veterans in their time of need.*

With more than 600,000 veterans in Arizona, there is a growing need to help those in various stages of recovery from brain injury, PTSD, trauma, or suicidal ideation. Founded in Tucson in 1983, the Brain Injury Alliance of Arizona has successfully answered the call to action by empowering veterans, their families, and caregivers with an array of support services, education, and advocacy – **all at no cost to veterans**. Today, our statewide organization annually serves 9,000+ veterans and military families across Arizona, helping them adapt, recover, and connect to their peers and community for an improved quality of life. Participating in the **2023 Salute Our Vets 10K/5K/1-Mile Fun Run** means you can be a part of this statewide

movement – offering hope and assistance to veterans and their families.

Proceeds from this annual event will support **Brain Injury Alliance of Arizona's Veteran & Military Emergency Relief Fund** – so no veteran walks alone in their time of need.
